ISLAND

A LIFE OF WATER

I have sought a place of tranquil
I have sought for where serenity resides
I have traveled the seas in search of my soul
I have left the land behind to find my home
This beautiful place that seduces me
This mysterious place where I am embraced
I see my island, I see my home and I see my lagoon
This is where my heart is at peace, where my soul can be free
to breathe and my mind will roam in a beautiful sanctuary
This is where I walk on water
This is where the lagoon embraces me
I feel every kiss of the water as it touches my skin it is like
nothing I have ever felt
I look beyond the horizon, I see a pink sky with the feathers
of beautiful birds
I see the sun dancing on the surface of the water like wild fire
This is what many before me have searched for
This is where my soul resides
This is where I call my home
This is Germany Island

TAKE A MOMENT TO CATCH YOUR BREATH

The World is visible from outer space, a collection of manmade islands that form a unique map of our planet. Surrounded by the Arabian Gulf, The World attracts a stunning variety of marine life all year round.

The Heart of Europe is a glittering constellation of 6 islands set against the backdrop of The World Islands Dubai. Our resorts and residences welcome guests as if to the home of a close friend, presenting a quintessential luxury lifestyle that is beyond imagination.

GERMANY
ISLAND

LIFE SO BEAUTIFUL

This is where superior craftsmanship meets beautiful perfection. Germany Island at The Heart of Europe has been created and brought to life with impeccable craftsmanship and quality that is synonymous with Germany the country.

Germany Island will embrace you with rich cultural heritage and diversity, with beautiful beachfront and lagoon villas and a collection of the finest traditional German foods, fruits and beverages. There will be grand events and entertainment throughout the year, from Christmas markets to the famous Schützenfest and Oktoberfest. All of this awaits you at Germany Island.

UNCOMPROMISED CREATION

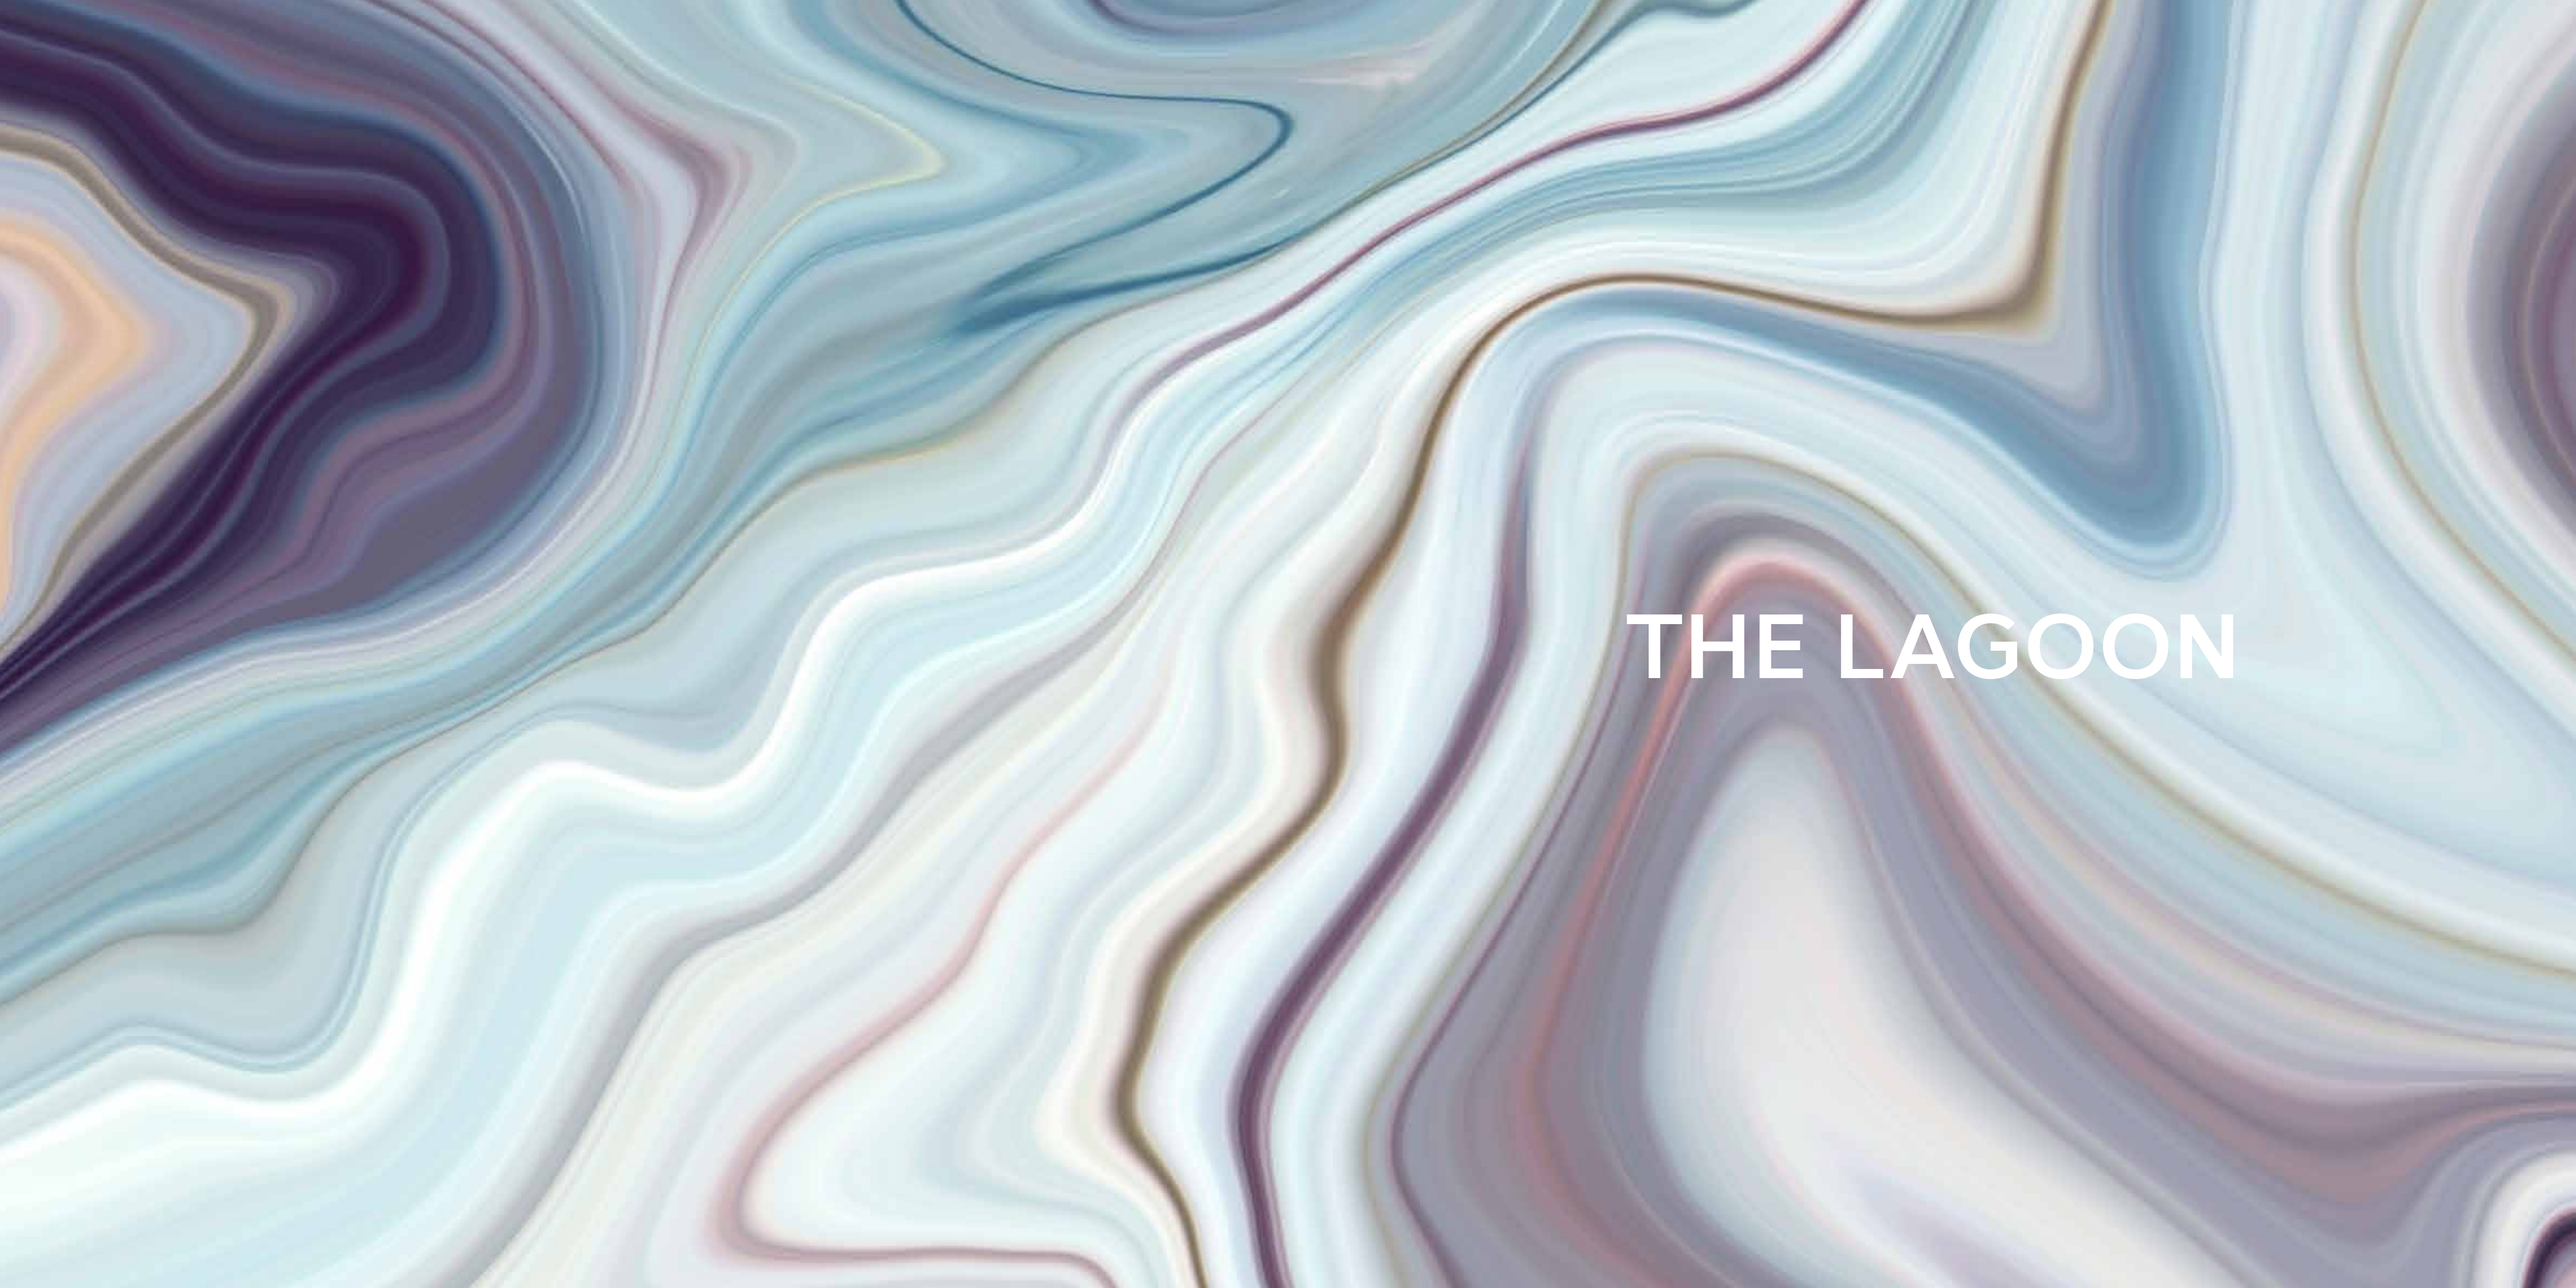

CRAFTED FROM EXCELLENCE

Germany Island will be home to 15 beautiful and contemporary beachfront and 17 lagoon villas, they will all offer amazing waterfront views and encase you with tranquility and privacy.

The villas stand magnificent in their architecture, created with a combination of Bauhaus style with modern, simplistic design and technology, which incorporates clean and bold lines. Floor to ceiling glass walls invite unfettered light and views of the beach into your villa. The villas will also be powered using green energy and solar power.

Germany Island will be constructed in the shape of a horseshoe, a deliberate plan to ensure that all 32 exclusive homes command uninterrupted views of the sea or the lagoon.

There are three different types of villas on Germany Island. Two types of beachfront Villas (type A and A1) and the semidetached lagoon villas. The 15 five bedroom plus maid's beachfront villas are graced with an exterior pool deck, an infinity pool and direct access to your own well-manicured private beach. The 17 four-bedroom lagoon villas are nested on a lagoon and hold your very own private pool with lagoon access.

THE LAGOON

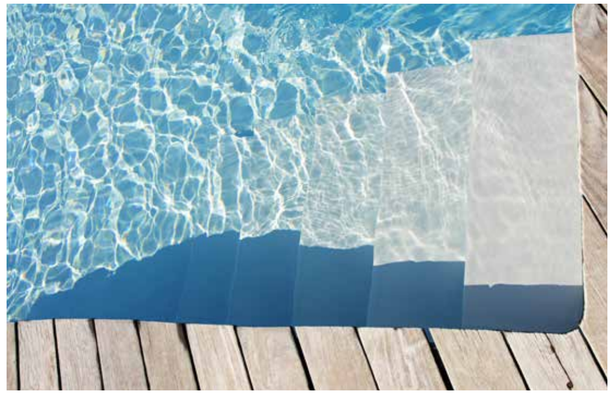

A SANCTUARY OF WATER

This is an amazing feat of creation built by human hands. A grand and well-maintained lagoon, using the latest technology to pump sea water into the lagoon and maintain a steady tide that dances in front of your villa.

With an expanse of water that is almost the size of a football field, with striking crystal clear waters that glitter in the sun and direct access from your lagoon villa. You can step into the lagoon and swim in the clear waters with uninterrupted views of the sea and lose yourself in a tranquil sanctuary.

DUBAI

INVEST IN EXCELLENCE

Dubai is one of the world's key points of connection. One-third of the global population lives within a four-hour flight. Dubai itself is consistently ranked as one of the world's most globalised cities. It is home to people of many nations, the world's busiest airport by international passengers served, and the world's largest man-made harbour.

The city has developed significantly over the last 40 years and is a magnet for international visitors, attracting 14.9 million travellers in 2016.

Where once there was sand, now there is one of the world's most modern urban landscapes, linked by multi-lane highways and a technologically advanced Metro and tram system. The city is a thriving centre for business. 70% of Fortune 500 companies have their regional base in Dubai and it regularly tops the World Bank's annual report for Ease of Doing Business in the Arab world.

There is no better place to invest in property and The Heart of Europe offer the very best premium you can expect.
